www.linkedin.com/in/muhammadawaiscs

SKILLS

- **Programming:** Python, C++, C#
- **Web Development:** HTML5, CSS3, Bootstrap, Flask, Responsive Web Design
- **AI & Machine Learning:** Machine Learning Fundamentals, Data Preprocessing
- **Core Concepts:** OOP, Data Structures & Algorithms, File Handling, Error Handling
- **Graphic Design: Corel draw**, Basic Graphic Design
- **Tools & Software:** VS Code, Visual Studio, Git, GitHub, Adobe Illustrator

LANGUAGES

- Urdu — Fluent
- English — Good Proficiency
- Punjabi — Native

CERTIFICATION

Data Science & Artificial Intelligence — NAVTTC
3-Month Professional Training Program

PROFILE

Computer Science student with hands-on experience in Python, AI & Machine Learning, and Front-End Web Development. Experienced in building responsive web interfaces and practical software projects. Fast learner and problem-solver with an interest in developing practical AI-powered and web-based solutions.

WORK EXPERIENCE

Internship — Fauji Foundation Head Office-Overseas Employment Services (FF OES)

- Redesigned and developed responsive website pages using HTML, CSS, and Bootstrap.
- Improved UI, navigation, responsiveness, and overall user experience.
- Developed job, job-details, candidate portal, employer portal, and dashboard interfaces.
- Used GitHub for version control and deployed the website using GitHub Pages.

PROJECTS:

JARVIS AI — Personal AI Voice Assistant

- Developed a Python-based AI voice assistant for voice commands and AI-generated responses.
- Integrated speech recognition, text-to-speech, AI API connectivity, and a graphical interface.

Heart Disease Prediction Web App

- Built a Machine Learning web app using Python and Flask with data preprocessing, model training, and a user-friendly interface.
- Deployed the application for live access.

Airline Reservation & Management System

- Developed a Python-based reservation system with booking, flight schedules, seat availability, and registration.
- Applied OOP, file handling, modular design, and error management.

EDUCATION

Bachelor of Science in Computer Science | 2023-2027 (Present)
Federal Urdu University of Arts, Science & Technology, Islamabad, 6th Semester Cleared

F.Sc. Pre-Engineering | 2021-2023
Sir Syed Science College, Tipu Road, Rawalpindi

Matriculation (Science) | 2019-2021
APS FWO, Chaklala, Rawalpindi
